

VTI Technology Open House – Thursday, August 6, 2009

For professionals involved in specifying, managing or deploying security systems

Details

Date: Thursday, August 6, 2009

Time: 11:00 am – 3:00 pm

When: Lunch 11:30 am – 12:30 pm
Educational sessions will start at 1:00 pm and run concurrently throughout the afternoon with a ten minute break in between each session

Where: VTI Golden Office
Golden, CO

Seating is limited so please, RSVP as soon as possible. You will receive a confirmation with office directions.
Guests are welcome.

Presentation Description

1. **"Highly Intelligent Openings"** - As intelligent panels push to the (door) edge of the network, technology continues to evolve toward the door hardware. Your take away will be options to reduce cost and improve operational efficiency.
2. **"Get more out of your System"** – Learn how IP technology such as Megapixel resolution and Wireless Mesh networks can help you to achieve benefit from your system like never before. Your take away will help you to understand some of the benefits of utilizing IP technology to reach further with your video and get better information from your video to improve your overall system.
3. **"Video Storage and Analytics at the Edge and in the Camera"** – With or without connectivity understand the technology of a self contained camera/recorder/analyzer. Your take away will be a practical understanding of when and how to deploy this technology.
4. **"Know your Specs – Video Compression, Megapixel Cameras, and Pixels Per Foot"**
Understand the difference between your "wants and needs" when considering forensic, general surveillance and high detail video images. Your take away will help you make the correct product selection (s) and get the most from your video cameras.

What is the Benefit

At the open house you will hear from industry experts focused on topics for technical or non-technical end-users, consultants, architects and engineers who are required or desire to stay current on technology and its practical application (s).

For Reservations

RSVP by July 22, 2009 with name (s), company, and phone number of who will be attending:
